"Dan Levy was an absolute pleasure to work with. After selecting him for narrating my audiobook, Dan enthusiastically jumped right on the project, completing it ahead of schedule. He listened well to me, incorporating my intentions for the book into his narration. He has a high quality voice with a resonance very pleasing to the ear of the listener. He was the ideal narrator for my book. If you get a chance to work with Dan, consider yourself very fortunate." - Mark Casey, *Living Your Erotic Potential: A Guide for Single and Couples*

"Dan captured the spirit of my works, embodying within his voice, the combination of strength and kindness that I intended." - Ellis Amdur, *Words of Power/In the Eye of the Hurricane*

"I know we think of Morgan Freeman as the main narrator of all narrators. But I'm glad that I had the opportunity to choose you because I think you did an amazing job and you sound really good as well. I feel as though you are a consummate professional. You most certainly good at what you do. You make it seem easy." - Alex Hernandez, *The Audacity of Indifference*
